Welcome!

The KZG Performance Center in Palm Desert is the Coachella Valley's only world-class golf center. If you want to make sure your golf clubs are fit and built to maximize your game, then we are here to help! KZG also offers lessons, testing and free seminars ... because we love golf!

We look forward to seeing you!

### THE WEDGE THAT WILL IMPROVE YOUR GAME HAS ARRIVED!

The Forged XSS Wedges are designed for golfers who want optimum performance in their short game. Each XSS wedge is triple forged to give pure, consistent shots every hit. Because these wedges are forged in one piece you get superior feedback as there are no welds or breaks that interfere with the flow of energy. The body is completely CNC milled to assure every wedge has exacting specifications to guarantee pin-point precision shots.

If you're struggling with your short game, please come in and see us. You will find that being fit for the correct wedge(s) will make a huge difference to your scoring ability.

### BEAT THE HEAT...

It's hot, hot, hot in the desert. Now is the time for some A/C. Don't waste your summer by not working on your game.

KZG has developed a Total Game Analysis where we analyze your equipment and swing. We can identify shots which give you trouble by using our Trackman 4 with the Dual Radar System.

For the month of July only, we are offering you a great special. For just **\$50, you get a \$140 session** with a Master Fitter who will analyze your current set of clubs and will then will assist you in the Total Game Analysis (TGA) Test on the Trackman. During this test, you will be asked to hit your best shots for various distances and will be given a test score. You will be able to see exactly how you are playing and your level of skill. And you will have the test results as well.

The results are often surprising. With the knowledge you gain you will be able to use your practice time wisely and make big improvements to your game. Call to book your appointment today! Find out more about the TGA at <http://kzgperformancecenter.com/services/>

**GOLF JOKE OF THE MONTH**

Alex comes home after his regular Saturday golf game and his wife, Amanda asks why he doesn't include John Gumby in the games anymore. Alex asks, 'Would you want to play with a guy who regularly cheats, swears outrageously over everything, lies about his score, and has nothing good to say about anyone else on the course?'

'Of course I wouldn't,' states Amanda.  
'Well,' mutters Alex, 'neither does John Gumby.'
